Dear Applicant,

Thank You, for your application to grow a network of Business, Organisation or Consumer users utilizing D'Appy Deals App. Whether you have a special limited invitation or responded to our marketing campaigns. Your assistance is welcomed by our D'Appy Deals Family.

This Bonus Referral Offer is only available to approved individuals, organisations or businesses. Bonus Offer gives a reward {as per application} for active & connected sales of D'Appy Deals App Membership. Connecting individuals & businesses to our specially designed marketing, promotion and shopping platform. A connection is deemed complete once the Referral Code {as provided on D'Appy Deals App}, is input during a referees app registration.

With D'Appy Deals App as a local shopping guide for all business and consumers. This fast, proactive and independent marketing strategy is available to all active business or organisations that require a smart and simple way to showcase their products, services or promotions. While helping their customers find these products and services that are required locally or daily. Above all promoting directly to the most important people that will use these businesses.

Having no lengthy setup or monitoring. Simply self create promotions and post on app for everyone to see. This concept is similar to posting your deals on a road side sandwich board or billboard, though with a greater reach to your potential customers. With these deals generated by local businesses on our app, it brings more sales of local products and services to your greater community.
