Dear Applicant,

Thank You, for your application requesting help or helping a 'Person of Need' in your local community with our **Helping Hand Program**. By building a network of Business and Consumer Users utilising the D'Appy Deals App. We can help put needed cash into the hands of those that require it most. Your assistance is welcomed and appreciated by the D'Appy Deals Family.

This Bonus Referral Offer is only available to those individuals who have fulfilled our criteria of a 'Person of Need' following our Terms and Guidelines. This Bonus Offer is our way of helping those that require a form of financial assistance helping get them back to a comfortable stressless life for themselves and families. This is achieved from sales of D'Appy Deals App Membership, to our specially designed marketing, promotion and shopping platform for your friends, clients, customers or associated connections.

With D'Appy Deals App as a local shopping guide for all business and consumers. This fast, proactive and independent marketing strategy is available to all active business that require a smart & economical way to showcase their products, services or promotions. While helping their customers and shoppers find these products and services that are required either locally or daily. Above all promoting directly to the most important people that will use these businesses.

Having no lengthy setup or monitoring. Simply self-create a promotion then post onto our app for everyone in your local area to see. Of course this concept is similar to posting your deals on a road side sandwich board or billboard. Though with a greater reach utilising digital technology for potential customers. With these deals being generated by local businesses on our app, it brings more sales of local products or services to your greater community.

Section 1; What Qualifies a D'Appy Deals 'Person of Need'?

i - A **'Person of Need'** is not always the homeless individual living on our streets or sleeping under a bridge. There are times in everyones life where things are just not going our way. It may or may not be our fault. It could be due to bad situations that escalate out of control or just bad weather. At any time this happens then it certainly is nice to know there is a **Helping Hand** that can be called upon to give that extra financial support. How much, is only determined by the size of your network.

***"Your D'Appy Deals Referral Network now helps in those times of need.
Creating your network today, is the key to being prepared for tomorrow."***

Section 1a; Qualification Categories.

- A - Homelessness** - Living with no fixed address or financial assistance. Helping those in desperate times.
